

## Where We Are...

## Hope Senior Living

*In the Heart of Lomira*

*Hope Senior Living* is an established, beautiful residence located attached to Hope Health & Rehabilitation Center, a skilled nursing facility located in picturesque Lomira, Wisconsin. Our apartments are located in a safe quiet neighborhood with space to enjoy the outdoors.

We would very much appreciate the opportunity to answer any questions you may have and to more fully describe the services Hope Senior Living provides. We are always available for tours. Please feel free to contact us if we can help you in any way.

Hope Senior Living is a smoke-free facility.

# Hope Senior Living Apartments

## Our Purpose...

We at Hope Senior Living believe that all people, especially older adults should be able to live with dignity, comfort and independence. We know that the transition from home to apartment living can be difficult. We believe that our professional and caring attitude can make this transition easier and indeed a positive experience.

## Who Are We...

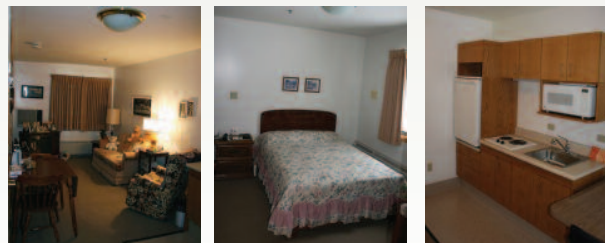

Hope Senior Living is a Residential Care Apartment Complex, ideal for Seniors 55 years and older. RCAC's, also known as Assisted Living, offer 24 hour care to meet your personal needs while encouraging your independence and respecting your privacy.

We offer one bedroom apartments with full bathrooms and kitchenettes. The apartments can be decorated to the taste of the resident. Our staff is devoted entirely to the happiness and security of our residents and a variety of amenities can be provided to help you maintain your own lifestyle.

## Our Values & Beliefs...

1. *The needs of our seniors are always our number one priority.*
2. *Your concerns will be handled in a prompt and courteous manner.*
3. *We will offer opportunities to meet your neighbors and make new friends.*
4. *We offer a continuum of services in order for our seniors to maintain independent lifestyles.*
5. *Seniors at Hope Senior Living will be given priority admission to Hope Health and Rehabilitation Center if more care becomes necessary.*
