# Hope Health and Rehabilitation Center

## Our Mission Statement...

Our mission is to create a person centered living environment by implementing the highest standard of care through creative leadership and innovative approaches.

We will create a person centered experience designed to exceed an individual's medical, social and spiritual needs.

We will maximize the health, independence, self esteem, and intrinsic worth of each resident.

We will collaborate with the resident, family and others to exceed the needs of the resident.

Our staff will function as a team with a professional and positive attitude treating residents, visitors, and coworkers with dignity and respect.

We will exceed all applicable regulations and guidelines.

## Our Services...

- We accept Medicare, Medicaid, Private Insurance, and Family Care.
- Professional Social Service staff to meet psychological-social needs of residents
- Assistance with eating, grooming, bathing and personal care
- Physical, Speech, and Occupational Therapy (7 days a week)
- Free laundry and housekeeping services daily
- Beautician and Barber services
- Resident Banking
- Specialized diets, meals, and snacks planned by a Registered Dietician
- Religious services  
*all invited to share in these experiences*
- Recreational and Therapeutic activities, group and individual, are provided daily, evenings and weekends
- Specialized transportation. We coordinate several transportation services. Information available in the business office
- Many personal items provided
- Pharmacy-pharmaceutical needs are filled by Health Direct Pharmacy and billed directly to the resident's insurance company. Medications and/or treatments from home cannot be used.
- Free pharmacy consultations are available
- Sensory impaired information and services are available from social services
- Regular in house visits by dentist, podiatrist, audiologist, optometrist and physicians
- Twenty four a day lab and x-ray services available
- Affiliated with Hope Senior Living Apartments
- Hope Health and Rehabilitation Center guarantees Equal Admission Opportunity
- Hope Health and Rehabilitation Center is an Equal Opportunity Employer

We are please to offer the following services to our community:

- **Outpatient Therapy**  
Services to help people remain in their home  
*(Physical, Occupational and Speech Therapies available)*
- **Hospice Services**  
Contracts with several local Hospice agencies to provide freedom of choice for end of life care.
- **Respite Care**  
If you are providing care to a loved one and need a break, please consider Hope Health & Rehabilitation Center. We will admit your loved one for a short term stay and provide the services and benefits that all our residents receive.
- **Assisted Living**  
Hope Health & Rehabilitation Center is attached to Hope Senior Living, which is a 20 unit apartment complex that offers assisted living services and amenities.
