NAMES TO KNOW

Owner/Executive Director- Steven Kuranz

Administrator- Julia Schramek

D.O.N.- Kelly Schrauth

Social Worker- Sandi Miller-

November Employee of the Month IS.....

AMY GEIGER!!! Amy was voted Employee of the Month by an overwhelming majority of her peers. Some comments were: "Amy is dedicated to the residents!" "She always puts the residents first!" "She is always willing to help!" "She often stays late to serve the residents!" "We love Amy's laugh!" "Amy is amazing!"

Amy- we are truly blessed to have you on our team! Your love and commitment to the residents is outstanding, and your cheerful attitude, and laugh are contagious! Thanks for everything you do!

Did you know?

Thanksgiving has been celebrated nationally on and off since 1789, after Congress requested a proclamation by George Washington. It has been celebrated as a federal holiday every year since 1863, when, during the American Civil War, President Abraham Lincoln proclaimed a national day of "Thanksgiving and Praise to our beneficent Father who in the Heavens," to be celebrated on the last Thursday in November.

The event that Americans commonly call the "First Thanksgiving" was celebrated by the Pilgrims after their first harvest in the New World in October 1621. This feast lasted three days, and—as accounted by attendee Edward Winslow it was attended by 90 Native Americans and 53 Pilgrims.

Dates to

Remember-

Nov.- 6th- Election Day

Nov. 11th-Veteran's Day

Nov. 17th-Opening Day for Deer Hunters

Nov. 22nd- Thanksgiving

NOVEMBER

2018

November Is National Alzheimer's Disease Awareness Month

- Alzheimer's is the most common form of dementia, a general term for memory loss and other cognitive abilities serious enough to interfere with daily life. Alzheimer's disease accounts for 60 to 80 percent of dementia cases.

-Alzheimer's is not a normal part of aging. The greatest known risk factor is increasing age, and the majority of people with Alzheimer's are 65 and older. But Alzheimer's is not just a disease of old age.

- Alzheimer's has no current cure, but treatments for symptoms are available and research continues.

~ NOVEMBER BIRTHDAYS ~

Staff Birthdays-
